

Disclaimer

The Client understands that all materials provided by Functional Bites, LLC are for information and educational purposes only, therefore not intended as a substitute for medical advice. Functional Bites, LLC recommends that any Client suffering from conditions requiring medical attention, or who have symptoms that concern them, consult a qualified medical practitioner. If the Client is under the care of a health care professional or currently uses prescription medications, the Client should not cease conventional treatment or medication for any reason without consulting a doctor. The Client should always discuss any fitness regime, dietary changes or potential dietary supplement use with his or her doctor and healthcare team.
